**CONFERENCE AND EVENTS FACILITIES**  
***Abu Dhabi's Foremost Meeting and Events Space***

The iconic Yas Hotel, Abu Dhabi, provides the perfect setting for meetings and events, overlooking the marina and positioned on the Yas Marina Circuit, home to the inaugural 2009 Formula 1™ Etihad Airways Abu Dhabi Grand Prix. It boasts 14 entertainment and dining options as well as a total of 1760 sqm in conference and banqueting space, including a ballroom, six meeting rooms, four boardrooms, and outdoor terraces.

The hotel consists of two separate buildings, connected by a bridge overlooking Yas Marina Circuit, featuring an exclusive lounge bar and a VIP level featuring local artworks. This bar atop the circuit, a concept by Georges V Restauration whose work includes Buddha Bar, is very much a destination venue, hosting eminent DJ's in the evening. In the wider hotel, guests have a choice of 8 restaurants; including international all-day dining, Arabic, Indian Tandoori, Italian, Pan Arabic, Japanese, Noodle Bar and specialty seafood restaurant.

The hotel is located on Yas Island, a natural island measuring 7.5km by 6.5km. As well as the Grand Prix circuit, the island will feature Ferrari World Abu Dhabi (the World's largest indoor theme park), an 18-hole Links Championship golf course, a 143-berth marina, a water park, and 269,000sqm of retail space.

**Conference Rooms**

The hotel features six meeting rooms and four boardrooms, all of which benefit from natural daylight yet have the ability to offer a complete blackout. All rooms are equipped with the latest technology including projectors, mobile video and teleconferencing facilities, a music system, TV broadcasting infrastructure, centralized AV control system, wireless touch panels, internet, microphones, and digital signage in the public areas to direct guests.

All six meeting rooms offer up to 52 sqm of space and have the ability to interconnect up to two rooms, doubling the size. Single meeting rooms can accommodate 20 - 40 people cocktail-style or 18 - 40 theatre-style, and can be tailored to requirements.

The four board rooms measure between 36 and 42 sqm, and offer a fixed boardroom table setting, featuring surround-sound JBL speakers, an addition to the standard audiovisual arrangement found in the meeting rooms.

All of the hotel's conference and events facilities have access to general services including the Business Centre with technical concierge, 'Car Spa' detailing service and valet, limousine and car rental service, concierge, barber shop, hairdresser and sundry shop.

### **The Ballroom**

The Ballroom offers guests a grand setting with up to 509 sqm in event space, accommodating up to 600 people. Continuing the advanced contemporary style of the hotel, the traditional ballroom chandeliers have been replaced with crystal LED lights tracing the path of the speedline design which runs through the flooring. Walls are clad in white upholstered panels with bespoke geometric patterns. The luminescent walls reflect the customisable colour of lights, bringing opulence and individuality to the room.

The room is equipped with motorised projectors, broadcasting facilities, centralised AV touch panels, WiFi, iPod docking station, microphones and sound servers. The full height ceiling, along with the ability to open up one side of the room, makes it the ideal location for car or product launches.

### **The Lawn – Palm Court**

Situated just outside the ballroom, overlooking Yas Marina and Yas Marina Circuit, Palm Court is a multi-use venue and provides the perfect setting for corporate team building, VIP receptions, car launches as well as wedding receptions.

With over 800 sqm of Lawn area, catering for up to 1000 people reception and 600 gala, this outdoor venue is ideal for entertaining guests.

### **Rooftop Pool Deck - Marina Wing**

Located on the top of the Hotel, with panoramic views of Yas Island, the Pool Deck offers a unique and intimate setting, perfect for entertaining high end VIPs for an exclusive reception.

This venue can accommodate up to 100 people reception-style and offers a designated DJ / entertainment space.
